enforced by the State Governments through the Inspectorate of Factories. Some of the steps taken for minimising the accidents by the State Governments are given below:—

(i) Every fatal accident is thoroughly investigated by the Officers of the Inspectorate of Factories and remedial measures are suggested. Compliance is also followed up to prevent recurrence of such accidents.

(ii) Wherever essential, prosecutions are also launched against, the defaulting establishments.

(iii) Priority inspection are carried out by the Inspectorates, particularly, in hazardous units.

(iv) Education and training programmes, workshops and seminars are organised.

(c) The Directorate General of Factories advice Service and Labour Institutes under the Ministry of Labour had issued following Guidelines to the State Government for implementation:—

(i) Guidelines for inspections of Major Accidents Hazards Units.

(ii) General Guidelines on Electrical Safety.
